## SCHOOL FEE RESPONSIBILITIES

In order to provide quality education at Simon's Town School, it is the responsibility of every parent to pay school fees.

Those parents who qualify for a reduction are supported by the paying parents and NOT THE STATE.

It is our responsibility to assist financially destitute parents WITHIN the Simon's Town Community but it would be unfair to expect paying parents to assist those from outside the community if they have a school servicing their community.

In terms of Section 39 of the South African Schools Act, parents are liable for compulsory school fees.

In terms of Section 40 of the South African Schools Act, the school may enforce the payment of school fees.

In terms of Family Law, parents are jointly and severally liable for payment of learners' fees – REGARDLESS OF MAINTENANCE AGREEMENTS, etc.

In the case of non-payment, action will be taken against both parents, regardless of any maintenance agreements that may exist between parties.

Parents will be held liable for any legal costs that arise out of such actions.

The School may record failure to meet school fee obligations with a credit information bureau. This information will be available to other credit grantors and maybe used in making credit risk management related decisions.

Dear Parents / Guardians

### SUBSTANCE ABUSE

After consultation with the school Governing Body, the South African Police Service and the Department of Education, we have decided to communicate the following to you.

It is clear in all forms in the media, the communities we live in and our school that there are many and varied temptations and pressures that have a major impact on the lives of our young people.

There can be no doubt in anybody's mind that substance abuse is rife amongst the youth in our country. The abuse of alcohol and other substances is clearly visible at nightspots, parties and other social gatherings involving our youth.

Young people from across all tiers of society are subjected to peer pressure and often fall victim to experimentation because of the desire to belong and to be accepted. It is often also a cry for help and the need for attention. It would, therefore, be most dangerous and irresponsible for us to assume that our children will not experiment with drugs and alcohol. It would also be naïve to regard all cases of experimentation as a passing phase. The consequences could be too frightening to contemplate.

It is, therefore, time that we, as parents and the school, become more actively involved in fighting this onslaught on our youth with all the energy and passion we can muster.

We have the unequivocal support of The South African Schools' Act that states that any serious misconduct of which substance abuse is one, could lead to the expulsion of a learner.

Should any of our learners in ANY way be involved in a banned substance, the following will/may happen:

- The police will be called to deal with the matter as their regulations prescribe.
- The matter will be referred to the Governing Body sub-committee for discipline, followed by a disciplinary hearing and disciplinary measures of which expulsion could be a distinct possibility.

*We do, however, also have a social responsibility and everything in our power will be done to assist our youth by arranging support for them and their families.*

We are also in a position to supply you, at a cost, with a very reliable drug-testing kit should you wish to incorporate this function as part of your management strategy for your children.

Principal : *Ms J Juman*  
Chairman Governing Body : *Mrs M. Engelbrecht*

[www.sths.wcape.school.za](http://www.sths.wcape.school.za)

Please be informed that as part of our strategy we intend requesting the police to search our school and hostel premises, as well as all who frequent the property from time to time.

Let us all become a part of finding a solution to this problem. Please do not believe that covering up this problem will protect our children from the destructive, life threatening consequences of substance abuse.

As always, we would welcome your input and involvement in this regard. Please do not hesitate to contact us.
